3 x 4" x 4" stretched canvas

3 x stencil

3 x foam brush

1 x apron

1 x 2 oz Mod Podge

1 x 2 oz white acrylic paint

### options:

*(one additional 2 oz bottle is included with purchase of the arts & crafts box)*

1 x 2 oz red acrylic paint

1 x 2 oz yellow acrylic paint

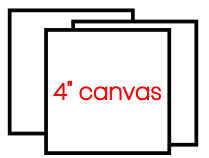

1 x 2 oz blue acrylic paint

1. unpack your box

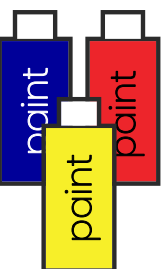

2. put your apron on

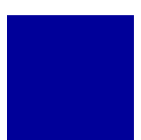

3. take out and unwrap your canvas

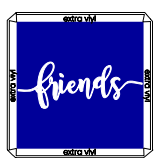

4. wrap the sides of your canvas with painter's tape  
**(optional & not included)**

5. chose your base color

6. paint one coat of base paint (pigmented)  
set aside to dry (ideally 24 hours)

7. apply stencil & place excess material around the sides  
(see <https://synergycraftstudio.com/8741-2/> for vinyl application help)

8. apply one coat of Mod Podge over stencil &  
canvas let dry. this could help with paint bleed. **(optional)**

9. paint top color over stencil and canvas  
(repeat until desired opacity is reached).

10. let sit until it's dry enough to handle & remove vinyl  
approximately 45 minutes.

11. remove vinyl, let sit to completely dry

12. coat with mod podge. let dry  
you're done!
